A

Name:

Instructions: For each pair of apples below, circle your answer to the following questions.

7. Which apple do you prefer? If you have no preference whatsoever, see 2.
8. What is the strength of your preference? 0 = no preference whatsoever, 1 = slight preference, 2 = strong preference.
9. What fraction of the group do you think prefers the same apple as you (or also has no preference whatsoever, if you have no preference whatsoever)?

Apples	Strength	Fraction You Think Prefers the Same Apple
